Paper- 4

Fundamentals of Business Mathematics and Statistics

Section A Fundamentals of Business Mathematics

Chapter Name		Page No.
1.	Arithmetic	3
2.	Algebra	34
3.	Calculus	91

Section B Fundamentals of Business Statistics

Chapter Name		Page No.
4.	Statistical Representation of Data	109
5.	Measures of Central Tendency and Dispersion	133
6.	Correlation and Regression	162
7.	Index Numbers	184
8.	Time Series Analysis – Basic Application Including Moving Average	205
9.	Probability	219
10.	Theoretical Distribution	232
11.	Miscellaneous	251
★	Mathematics & Statistics Basic Formulae	253
★	Questions in Objective Series	273
⇒	Model Test Paper -1	453
⇒	Model Test Paper -2	459
